

Purchasing Process - Willow Release

Potential purchasers **must** register to be on the Hanley's Farm Database - if potential purchasers are not on the database, they will not receive any information pertaining to the upcoming release/s.

Information such as plans for the upcoming available sections will be sent to the database a few days prior to Sale Day.

Open Day

There will be an opportunity to visit the Willow Release on **Saturday 19th September between 1:00pm and 2:00pm**

Pricing for the Willow Release will be released to the Hanley's Farm database on **Monday 21st September at 8am NZ time**

Once pricing has been released potential purchasers **must** email Jimmy Allen, the sales agent, to secure their preferred section at **8am on Monday 21st September (not prior to)**. We highly recommend back up options in case their first choice of section if not available.

If the Purchaser is able to secure a section

The Sale and Purchase Agreement (contract) will be emailed to them and they are to sign and return this contract to Jimmy Allen by **12pm, Tuesday 22nd September**. Once the contract has been received, the purchaser is to pay the 10% deposit to the **purchasers solicitor** who will then forward the funds to the vendors solicitor once they have received a fully signed contract back.

Registrants who were unable to secure a section

Registrants have the option to stay on the Hanley's Farm database and receive future release information or email Jimmy Allen to remove themselves from the Hanley's Farm database.
